The new psychological thriller from the bestselling author of *The Straw Men* and *The Intruders*. A heart-stopping tale of secrets, lies and our culpability in our own misfortunes. On a beautiful summer s afternoon four-year-old Scott Henderson walked out onto a jetty over a lake in Black Ridge, Washington State. He never came back. John Henderson s world ended that day, but three years later he s still alive. Living a life, of sorts. Getting by. Until one night he receives an email from a stranger who claims to know what happened to his little boy. Against his better judgement Henderson returns to Black Ridge, unleashing a terrifying sequence of events that threatens to destroy what remains of everything he once held dear. Bad things don t just happen to other people - they re waiting round the corner for you too. And when they start to make their way in through the cracks in your life, you won t know until it s far too late.
