Cirque du Soleil, French for Circus of the Sun, is a unique entertainment venture that has been thrilling audiences since its inception by two street performers over 20 years ago. Acts include a unique combination of individual story lines, dance and opera performances, contortionists, jugglers, trapeze artists and many other talented performers, all set to the tune of live music. While performances do not feature the animals typically found in a regular circus, the modern style of Cirque du Soleil has earned it recognition as one of the world s best circuses for their use of extreme creativity, talented performers, and their ability to constantly evolve shows to maintain their enthralling nature. Alfred now introduces some of Cirque du Soleil s most popular songs arranged for Easy Piano by Dan Coates. Lyrics and chord symbols are included.
