## CHICKEN OF THE SEA

Barry Stedman, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Beginning with a whimsical title and cover, nothing in this mystery is what it seems. Victor Joshua Walker s father is an assistant manager of the local supermarket, obsessed with Russian composers and Captain Joshua Slocum, the first man to sail alone around the world 100 years earlier. Much to Victor s dismay, his father has planned a similar journey for his family and is building a boat in the barn next door. After a neighbor s trailer burns to the ground, he launches his boat and they move aboard. After nine years, it still isn t finished; it s the dead of winter; the marina s deserted; the boat is the size of a school bus; and there s no heat! No matter that Victor s father has told everyone he will follow Slocum s route, for seemingly no reason at all, he suddenly decides to go another way. Chicken of the Sea is more than a story about dragging three cynical kids around the world. Along with wry humor are the realistic aspects of living aboard a small sailing boat, from doing schoolwork on the dining table to the hardships of ocean voyages. There are storms at sea, fascinating foreign cultures, and exotic tropical islands. There are also clues to a past life; burns on Victor s forearms, grandparents who died in a house fire, a missing uncle and aunt, valuable first-edition books, a guitar once played by Segovia. If that s not enough, people are following them. On a desolate island in the southern Bahamas, an old man arrives just in time to save Victor and his younger brother when they encounter a Hammerhead...
