Dragon Magic is a fantasy adventure book for young readers. The Tribe, is the nickname of four normal children from a real family. Like all kids they enjoy a bit of action and adventure. In the Dragon Magic story, their lives are completely changed when they befriend a baby dragon they discover in the woods. When the Dragon Queen finds him safe, she shows her gratitude by giving them each a talisman with a magic spell. This enables them to instantly go to anywhere they wish, simply by just picturing it in their minds! They find this good fun, until they make a silly mistake which takes them back in time to a medieval castle. There they meet an alchemist with ambitions in sorcery. He steals Michaels talisman, which traps them in the middle ages. They then need help to free them from the dungeon, and a different kind of magic to get them back home. During their time travel adventure they make a discovery which will assist the Dragon Queen in her quest to rid her home planet of a wicked wizard. The Dragon Magic fantasy adventure is suitable for children age 9-12 and good readers age 7-8, but would be enjoyed by younger children as a bedtime story. The children, Luke 11, Joe 9, Michael 8 and Lucy 6, are the authors niece and nephews. The places they visit in the book really do exist. It is left to you, the reader, to decide if this new adventure actually happened. This item ships from La Vergne, TN. Paperback.
