BUMPING ABOUT BRITTANY

Discovery Walking Guides Ltd. Paperback. Book Condition: new. BRAND NEW, Bumping About Brittany, Charles Davis, Bumping About Brittany is a guidebook with a difference, a series of excursions into the cultural, physical and emotional heartland of Brittany that can be followed up on the ground or simply consumed in the comfort of your own home as a good read. But if you want to know what the Bretons think of France and vice-versa, if you want to know how to climb an imaginary mountain, if you want to know why the slippers look a little peculiar, if you want to know what city invented International Non-Diet Day, how to be rude to a Parisian, where to search for little green men, which shellfish should go on the sex offenders register, why the pope provoked a scandal, who brews the best beer, where the President buys his cider, how to find the way to hell and back, the approved technique for nicking a garden gnome, and the correct word for suggesting something is a lot of old cobblers, then this might...
