Excerpt: . . . by the facilities of the X-Ray Department and the Hydro-and Physical-Therapeutic Department, renders a definite and great public service. SCHOOL OF DENTISTRY The School of Dentistry is passing through the experience which prevails with professional schools as entrance requirements are raised, or the course lengthened. This year for the first time the dental course outlined by the Dental Faculties Association of American Universities was put into effect. Although the opportunities for the practice of dentistry are greatly increased by reason of the number of dentists now connected with the Army, and although the Government is still looking for men proficient in dentistry, so that the promise of opportunities for lucrative practice is encouraging, yet less than one-half of the number heretofore entering the Freshman class enrolled as Freshmen this year. There may have been contributing causes, but apparently the main cause of the shrinkage...
