Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *A Winter in Russia: From the French of Theophile Gautier* We seem scarcely to have started, and yet already France lies far behind us. Concerning the intermediate space traversed in his flight by the nocturnal hippogriff, I shall say nothing. Imagine me at Dentz, across the Rhine, contemplating from the end of the bridge of boats that silhouette of Cologne, which the Jean-Marie Farina boxes have rendered so familiar, now outlined against the splendors of a sunset sky. The bell of the Rhenish railway strikes. We take our seats, and steam rushes off with the train at a gallop. To-morrow at six, I shall be in Berlin; yesterday, when the street-lamps were lighted, I was in Paris. This surprises no one but myself, in our marvellous nineteenth century. The train spins along across great plains gilded by the setting sun; soon night comes, and with it, sleep. At stations remote from one another, German voices shout German names; I do not recognize them by the sound, and look for them in vain upon the map. Magnificent great station-houses are shown up by gaslight in the midst of surrounding darkness, then disappear. We pass Hanover and Minden; the train keeps on its way; and morning dawns. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
