Nursing Case Studies on Improving Health-Related Quality of Life in Older Adults

By Meredith Wallace Kazer, Kathy Murphy

Springer Publishing Co Inc. Paperback. Book Condition: new. BRAND NEW, Nursing Case Studies on Improving Health-Related Quality of Life in Older Adults, Meredith Wallace Kazer, Kathy Murphy, This globally focused resource integrates sound research evidence, real-life case scenarios, and effective, practical strategies to address a key health care initiative of the 21st century--optimal quality of life for older adults. Distinguished by its broad and global outlook, the book includes contributions from an international cadre of widely published scholars and is designed for easy integration into traditional nursing education curricula. The book explores the experiences of older adults at home, and in acute and primary care, assisted living, nursing home and hospice environments and examines their needs for dealing with multiple, differentiated health, spiritual, and emotional considerations. The book addresses all four domains of quality of life as set forth by the World Health Organization. A detailed and multi-dimensional case study opens each chapter, followed by subjective and objective data focusing on the quality of life domain addressed. Articulation and definition of each quality of life issue is presented along with the incidence and prevalence of the problem. Several cases addressing issues older adults encounter in preventing and managing acute and...
