Such dispensations, startling and fearful as they may be to those intimately involved in them, are generally so confined as to locality, so limited in the numbers affected by them, are so transient in their effects, and so wholly isolated from questions of morality and Christianity, that rarely does one occur which can be called, properly, a national calamity. They also, either by natural signs, or by the forecast of the human mind, are so far discovered, that in some measure, men are prepared for their coming before the hour, in which the general grief shall smite them; when the billows of public woe shall be lashed to foam, and beat over them with sullen roar, and irresistible force. The citizens of these United States are to-day in the dust, agonized, bewildered, stunned by the national calamity which has smitten them down. Sudden as the crashing thunder, sounding...
