BEHIND A PAINTED SMILE: ABOUT A WOMAN WHO HIDES ALL THE HURT, PAIN, FEARS AND EMOTIONS THAT LIFE HAS THROWN AT HER.SHE HIDES BEHIND A FALSE FACE,BEING HER PAINTED SMILE.

AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 203 x 122 mm. Language: English . Brand New Book ***** Print on Demand *****.I chose to write this particular book, mainly to prove something to myself and other people just how a person such as myself can progress in their lives. After surviving both physical and sexual abuse in my past from a family member. Having to live with the turmoil of placing my children in the care of other families.My worst nightmare of which I had to come to terms with, was when my son Daniel was killed in a road traffic accident in 2001. I chose to write all of my thoughts and emotions down, instead of having any kind of counselling. As each day passes by, I know that with my partner who is so understanding, that I can overcome anything that life chooses to throw at me. Although, I do not allow my emotions to be seen, as each day the first thing I do is put my make up on, which is what I would call my mask. This to me makes life so much easier as nobody has any idea of what I am thinking or feeling. Each day I write on a calender the events of my daily routine.That is how it became to be written in diary form, and then even I could see the progress I had made in my life.Should I ever be concerned about something, or not be too certain of anything, I think of what my late son Daniel would have told me.He would of said go for it mum.
