HECTOR

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The Ninth Inning series presents Memphis Angels first baseman, Hector Rodriguez. Hector Rodriguez is an easy going guy, the one who tries to make everyone laugh or smile on the hard days. He loves playing baseball, loves his family, and loves chasing the girl who has caught his eye. His two biggest obstacles are getting the girl to give him the time of day and then getting his mother to look past what she sees on the surface. Zoey Reyes is use to people staring at her because of the tattoos covering her body, but the big tipper who has been begging for her name for two months is the only one who looks at her differently. Once Hector wears her down and finds out her name, she realizes why he is so likeable. However, it s one battle after another for their friendship to grow and Zoey s not sure how much stress she can handle. Hector and Zoey are making the right plays, but will it be enough for them to come out with a big win?.
