Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The 2016 version of Microsoft PowerPoint is the newest release of the PowerPoint software that is included in the Microsoft Office 2016 suite. This version is the replacement for the version that was included in Office 2013 and in Mac 2011 for OS X. The new PowerPoint version has many new features and benefits; which includes a new user interface with improved toolbars. In previous versions, the layout was not convenient for users especially amateurs. This has now been changed and any user at any level can understand and enjoy the easy-to-use software. Improved features such as better animations, improved tables and chart options will make presentations much more natural to create. There are also improvements in the area of collaboration. Here multiple users can work seamlessly on the same presentation with intuitive commenting and user views.
