

## Perspectives on the Precautionary Principle

Filesize: 5.38 MB

### **Reviews**

*Without doubt, this is the very best work by any writer. Indeed, it can be play, still an amazing and interesting literature. I am just very easily can get a pleasure of reading through a written pdf.*

*(Alda Barton)*

## PERSPECTIVES ON THE PRECAUTIONARY PRINCIPLE

Federation Press. Paperback. Book Condition: new. BRAND NEW, Perspectives on the Precautionary Principle, Ronnie Harding, Elizabeth A. Fisher, Perspectives offers the Australian experience in environmental management, influenced by challenges arising from an economy which is strongly natural resource based, operating in ecosystems which are acknowledged as both sensitive and unique and which rank Australia as the only developed nation among the 12 'mega-diverse' (in terms of biodiversity) regions of the world. Whilst covering a range of disciplinary and management perspectives, Perspectives is especially strong in the legal, science and risk-uncertainty areas. It will be of interest to academics, and tertiary level students from a wide range of disciplines - law, science, economics, engineering, social science and policy and political science.
