Reviews

It is a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Boudica, Vanessa Collingridge, Boudica has been immortalised throughout history as the woman who dared take on the Romans - an act of vengeance on behalf of her daughters, tribe and enslaved country. Her known life is a rich tapestry of wife, widow, mother, queen and Celtic quasi-Goddess. But beneath this lies a history both dark and shocking, with fresh archaeological evidence adding new depth and terrifying detail to the worn-out myths. From the proud warrior tribes of her East Anglian childhood to the battlefields of her defeat, this is a vividly written and evocatively told story, bringing a wealth of new research and insight to bear on one of the key figures in British history and mythology. From the author of the much-praised Captain Cook comes a major new historical biography; a gripping and enlightening recreation of Boudica, her life, her adversaries, and the turbulent era she bestrode.
