Reviews

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.

PORSCHE 968

DOWNLOAD

Brooklands Books Ltd, United Kingdom, 2002. Paperback. Book Condition: New. Limited edition. 268 x 196 mm. Language: English . Brand New Book. The 968 was introduced to replace the 944. It came with only one engine option, two body styles (coup 142 and cabriolet), and manual or triptronic transmission. Coming in as the cheapest Porsche to rival the Renault Alpine and Audi S2, it still had a superbly balanced chassis. The Club Sport was introduced to bring Porsche ownership to a wider market. Several items were deleted, notably the rear seats, and decals on teh side distinguish it from its more expensive brother. It was also lighter, which banished the excess body roll and the oversteer was controllable. With falling sales in 1993, a short-run Turbo S was produced with a rear wing, bonnet scoops and front spoiler. 0-60 was under 5 secs, the 3-litre engine produced 305bhp and had a 6-speed manual gearbox. The 968 Sport slotted between the CS and standard 968, a little less basic than the CS. These cars helped pull Porsche from the doldrums. This is a book of contemporary road and comparison tests, specification and technical data, new model introductions, driver s reports, buying used and history. Models covered include Sport, Club Sport, Tiptronic, Turbo S. Coup 142, Turbo S. Cabrio.
