FRIENDS, A VILLA A TRAVEL BUG: HOW TO ARRANGE A FABULOUS VILLA VACATION FOR YOURSELF AND A FEW DOZEN OF YOUR CLOSEST FRIENDS

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever seen a movie or a TV drama that takes place in a lush Italian villa (or French chateau, Spanish castle or English manor house) and found yourself daydreaming of what it might be like to experience that lifestyle? Janice Davis, author of the acclaimed guide to taking a one-on-one trip with a child, *A Kid, A Grown Up A Travel Bug*, now turns her focus from traveling with children to traveling with a large group of friends or family - in style and economically! Based on many years of experience renting luxurious and often historic European homes with groups of up to to twenty-seven friends, Davis provides readers with a template for successful villa adventures. Every aspect of organizing such a holiday is covered, from how to locate your villa to what factors you ll need to weigh when making your selection, to dealing with pricing and figuring out who gets which room. Also included are travel basics (such as how to find the best air fare, how to pack efficiently, and how to beat jet lag) and anecdotes from her own villa experiences. The *Travel Bug* series, while in some ways sharing the purpose of other travel books in that they convey the sense of wonder and excitement that travel brings, is not so much about the where as about the why and how. The focus is on all there is to be personally gained by travel and how it can enrich you long after your return home, as well as giving practical advice for trips that are worry-free and affordable on nearly any budget. What really makes the *Travel Bug* series unique among...
