AuthorHouse. Hardcover. Book Condition: New. Hardcover. 296 pages. Dimensions: 9.1in. x 6.2in. x 1.1in. The saga of the Hanson family and friends continues as the group realizes that, although they survived a massive geophysical cataclysm unleashed in the northwestern part of the United States, they must now face something even more devastating. Having found refuge on St. Thomas in the U. S. Virgin Islands, they begin a new adventure: the fight to prevent human extinction from a horror of mans own creation. The tremendous forces of the cataclysm had caused the tragic and apocalyptic release of DM-19, a genetically engineered bio-weapon, from the impenetrable underground Black Diamond Military Base in Nevada. As the plague descends upon them at a frightening pace, a gut-wrenching sequence of events unfolds when they are caught in a race to unravel the mystery behind DM-19.
