Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

TAMING THE LION S ROAR: HANDLING FEAR IN THE MIDST OF A TRIAL

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This devotional Bible study book on fear resulted from a series of Mt. Everest-type trials in my life. I finally realized one day that I was addicted to the stronghold of fear. These trials brought me straight to God s Word. After I had struggled enough and had searched and searched the Scriptures for everything that God had to say about fear, I started writing and couldn t stop. A passion then burned within me to come alongside other women in order to encourage them in handling their fears. I don t want any woman to ever feel like she is all alone or that nobody cares how much she is feeling afraid in the midst of a trial, because I have been there. I have done that. May my prayer from Psalm 119:92 become yours after you read this book: If your law had not been my delight, I would have perished in my affliction. Teach me Your Word during this season of my life like I have never known it before and make this verse my testimony when I emerge from this place.
