

Angel Creek

By Sally Rippin

Text Publishing Co, Australia, 2013. Paperback. Book Condition: New. 196 x 127 mm. Language: English . Brand New Book. In her new falling-down home, in her new street, in her new suburb, Jelly waits for high school to begin. She can only feel happy up in the branches of the old apricot tree and by the creek at the back of the house. One night, Jelly and her cousins spot something in the creek's dark waters. At first they think it's a bird, but it isn't. It's a baby angel with a broken wing. And they decide to keep it. But soon things start to go wrong, and Jelly discovers that you can't just take something from where it belongs and expect that it won't be missed. Sally Rippin's *Angel Creek* is a book about growing up: being brave and selfish and tough and scared. It's a book about an angel. But not the sweet variety. It's a book about the things that change and the things that always stay the same.

Reviews

It is one of the most popular publications. We have read through and that I am sure that I will likely study again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best PDF for actually.

A must-buy book if you need to add benefit. I have gone through and that I am sure that I will go through once more yet again down the road. I am just very happy to let you know that this is basically the best book I have got through inside my own life and can be the very best book for at any time.
