Brand New Book ***** Print on Demand *****.Financial Healing Clinics publish workbooks that are very practical, easy to read; destined to help Christian believers learn how to heal troubled financial life and recover all financial losses by applying relevant bible verses effectively. Financial Healing Clinics materials aim to help Christians all over the world aspire to a debt-free lifestyle by gaining mastery over financial attacks, and leading the life of an heir promised to every believer by our Father God. We hope and pray that someone around the world will be helped by this booklet, especially during current economic challenges. Supernatural Finance Recovery "This minibook teaches the believer in Jesus-Christ to pursue, overtake and recover all that the enemy has taken from her or him. None of our finances should ever stay in the enemys camp. After Moses death, God charged Joshua to conquer all the land He gave to the children of Israelites and gave him detailed information about the lands to be recovered (Joshua1:1-4). The promised land was given to the Israelites, houses, lands and cattle included but they had to take a stand in order to possess their inheritance (Joshua 6: 1-24). There is so much "land" the Christian must war for and recover in this planet!" Alex St Clair.
