Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Englishman at Home: His Responsibilities and Privileges In describing the departments of Municipal and National life in England, my idea has been to begin with those institutions which are nearest to the people, and with which the people are most frequently in touch. This has been the plan generally followed, not only in the order of the chapters, but also in the arrangement of the chapters themselves. It was with this idea in mind that I commenced with Municipal Administration, and afterwards dealt with the Poor Law System, with Elementary Education, with the Administration of Criminal and Civil Justice, and with the collection of Imperial Taxation, before dealing with Parliament and the methods by which it is elected, with Parliament at work, and with the State Departments in London.
