Orion Publishing Co, United Kingdom, 2011. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book. Denise Mina is set to carve a niche for herself as the crown princess of crime Val McDermid Maureen O Donnell is facing the darkest episode in her life. She owes more than she makes in a year in back taxes; Angus Farrell, the psychologist who murdered her boyfriend, is up for trial, with Maureen as the reluctant star witness; and her abuser has arrived back in Glasgow in time for the birth of her sister s baby. On top of it all, Maureen - who identifies all too readily with the underdogs of this world - has become embroiled in someone else s family feud. When an elderly stallholder at the flea market where Maureen and Leslie are selling illegally imported cigarettes dies in hospital after a brutal beating, Maureen questions why anyone might want to kill the woman popularly known as Home Gran . She suspects Ella s son, but Si McGee is an upstanding member of the Scottish business community, runs a chain of estate agents and has a health club in Glasgow s West End. But she soon discovers that the health club fronts a much less respectable establishment. As Angus trial approaches, Maureen is under threat once again, and this time she has very few protectors.
