Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).

PARENTING WITH HEART AND MIND

Ehgbooks, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: Chinese . Brand New Book ***** Print on Demand *****.Parents are example of life-learning, and Children are a mirror of Parents characters. A child s development encompasses many aspects including the physical social, emotional and cognitive/mental. In order for children to develop in all aspects, they must be supported in all areas and the one person most often responsible for this encouragement is the mother. Mothers tend to be the primary caregiver in both traditional and single parent families and thus are with their children more than anyone else. Mothers, therefore, are in the unique position of influencing their children s growth is all areas of development, beginning with the bonding and attachments that they usually develop with their children.
